

British Curling Supplies Bespoke Sublimation Order Form

Terms and Conditions –

Please complete all parts of this digitally editable form. The information provided on this form must be accurate and precise.

Once complete, the manufacturer will process & return the design you have requested for you to review. If you are happy to proceed you will be required to sign off the order and confirm that all information provided is correct and to your complete satisfaction.

Any further changes will incur charges so please ensure everything is as you want it. Changes/corrections will also delay the manufacturing process and you may not receive your order when expected.

British Curling Supplies accept no responsibility whatsoever for any mistakes, misspellings or errors entered by you once the document is signed off.

If the design is bespoke we require the images of logos to be in the correct file format; PDF or EPS. If the logo is not in this format we can offer to redraw these for you at an extra cost.

Our manufacturer offers a kit builder option on their website for designs that are block coloured and editable. Please follow the link to create your own design. The details for the website are here - <https://futuresportsdye.com/>
